

1 BILL NO. R- 81-10-24

2 RESOLUTION NO. R-

78-81

3 A Resolution supporting the
4 health protection purposes of
the Federal Clean Air Act.

5 WHEREAS, the Federal Clean Air Act is designed to
6 protect public health from harmful levels of pollution
7 and has proven effective in reducing concentrations of
8 some pollutants; and,

9 WHEREAS, the National Ambient Air Quality Standards,
10 which are actually health standards, are the cornerstone
11 of the Clean Air Act and are in danger of being relaxed
12 to the point where they would no longer protect the
13 health of children, the elderly, and persons with respiratory
14 disorders; and,

15 WHEREAS, programs for raising air quality in metropolitan
16 areas and maintaining healthful air in recreational areas
17 must not be diluted and programs to control acid rain
18 and to regulate more toxic pollutants must be initiated; and,

19 WHEREAS, the Clean Air Act has proved a workable and
20 reasonable approach to the problem of air pollution such
21 that it has provided benefits far exceeding the costs of
22 compliance, and continued fair and vigorous administration
23 of the Act can assure the continued growth of these benefits
24 at reasonable costs to the nation's industries;

25 THEREFORE BE IT RESOLVED, by the Common Council of
26 the City of Fort Wayne, Indiana, that it fully supports
27 the health protection purposes of the Federal Clean Air
28 Act, urges streamlined but national revision, opposes
29 relaxation of standards, and supports the establishment
30 of new programs to cope with air pollution problems
31 affecting public health;
32

1 BE IT FURTHER RESOLVED, that copies of this Resolution
2 be transmitted to the President of the United States,
3 Congressman Coats and Senators Lugar and Quayle.
